Presentation Package

Save yourself the hassle of setting up your table & let us do all the hard work. We will supply and lay out the table/tables for your platters, complete with colourful tablecloths, napkins, disposable plates, salt & pepper, mayo, mustard, ketchup and a lovely centerpiece.

All you have to do is remove the platter lids as you need them. There will even be a 'smart box' tucked under the table in which to place the empty platters for collection afterwards.
